BY-LAWS OF TIPPECANOE COUNTY BASEBALL ASSOCIATION

A. GENERAL

1. Pony baseball guidelines will govern. All complaints and issues shall be handled by the Grievance Committee.
2. Team rosters for all teams entered by each TCBA league must be submitted to the respective Director and be approved by the executive board. If rosters are not received, that team and any member of that team will be ineligible for consideration for season play and tournament competition until the rosters are received. Furthermore, the team for which the roster is delinquent will forfeit all regular season games until the roster is received and approved by the respective Director.
 - a. Birth certificates must be submitted to the member leagues at the time of registration for verification of age. It is the responsibility of each member league to verify the age of all players on the rosters that it submits to the league for approval. Failure to comply with the By-Laws will subject the member league to penalties as described in the By-Laws of TCBA.
3. All regulations of PONY BASEBALL will apply to TCBA. Exceptions or additions will be documented in the By-Laws of TCBA.
4. If a player participates in a game in a league about his age limit, he may not play again that year in a game of the lower age league.
5. The executive board of TCBA shall have the authority to suspend, discharge, or otherwise discipline any manager, coach, player, league official, umpire or other person whose conduct is considered detrimental to the best interest of the TCBA.
6. A game which is postponed due to inclement weather must be played within 1 week of the originally scheduled playing date unless weather causes a second postponement (in which case a 1 week period begins in which the game must be played). If there is no field availability at the site of the originally identified home team during the reschedule period, then the visiting team will schedule the game at their field if there is a mutually acceptable playing time (original home team will still be considered to be the home team during the contest regardless of the playing site). If there is no mutually available time during reschedule period, then the first available date at which there is a playing field at either site and at which neither team has another scheduled game will be the make-up date. If one team does not agree to play on the available date, then that team will be given a loss by forfeit. If there is disagreement regarding the first available date, then the Director of the respective league will serve as the arbitrator.
7. No tobacco and/or alcohol products may be used in the batting cages, dugouts, or on the playing field during TCBA games or during warm-ups prior to TCBA games. Failure to comply makes the offender

and/or his/her team subject to the penalties described in the PENALTIES section of the TCBA By-Laws.

B. AWARDS

1. The champion of each league's season play (Pony and Bronco A leagues) will receive individual player trophies. The champion and runner-up in the county tournaments will each receive individual player trophies. All awards will be given after the final game of the county tournament.

C. PENALTIES

1. All infractions against the Constitution or By-Laws of TCBA, including infractions against the playing rules of PONY BASEBALL as modified by TCBA, will be subject to penalties deemed appropriate by the executive board of TCBA. These penalties may include, but are not limited: verbal and written reprimands, single or multiple game suspensions, for coaches and/or players, forfeiture of complete or incomplete games, suspension, or dismissal of individuals or member leagues from TCBA.

D. PLAYING RULES (amended 2015)

1. The TCBA shall use the current Indiana High School rule book, except for the following pitching rules:
 - a. maximum of 10 innings per pitcher in a calendar week (calendar week-12:01 A.M. Monday until 12 midnight Sunday);
 - b. maximum of 7 innings per day for Pony;
 - c. maximum of 6 innings per day for Bronco;
 - d. maximum of 3 innings per game for Bronco;
 - e. one pitch is considered to be an inning;
 - f. a pitcher who is removed from the pitcher position may NOT re-enter as a pitcher;
 - g. a pitcher must have 40 hours of rest after pitching four or more innings in a calendar day (computed from the scheduled starting time of the game that was pitched, or from the actual starting time if the game started more than 2 hours late.)
2. Tournament Pitching Rules:
 - a. In tournaments involving 5 or more teams, a pitcher is allowed 16 innings, plus an additional 16 innings after three games are completed.
 - b. Pitchers who pitch in more than one game on the same calendar day may pitch a combination of innings in those games provided they do not pitch in more than 7 innings on that calendar day.
3. If a coach goes on the playing field to talk to any player or players more than once in a half inning, while the same pitcher is pitching, a pitching change must be made. (exception: injury or time called by coach of the other team).
4. All home teams must provide at least one Indiana licensed umpire per game. If the base umpire is less than 18 years old, he must be approved by both coaches and the other umpire. If one licensed umpire is not available within 15 minutes of the scheduled start time of the game, the home team will forfeit.
5. In any league game, no inning shall start after one hour forty-five minutes has elapsed from the time of the first pitch of the game. (Exceptions: No time limit or ties in tournament games)
6. No inning shall start after 11:00 p.m.
7. Every player must play 2 defensive innings and bat once in every seven (7) inning game for Pony and 2 defensive innings and bat once in every six (6) inning game for Bronco.
8. April 30 is the age cut off date. For Pony a player must be 13 but no older than 14 by this date. An exception is a player who turns 15 by April 30 and is in the eighth grade

- is eligible to play in either Pony A or B leagues but is not eligible to pitch in any games. Any player who is 15 must be reported to the TCBA Board.
9. For Bronco and Pony B teams, the entire roster (up to 12 players) will bat and there will be free substitution in the field. If a team has more than 12 players, the team has the option to bat their entire roster or bat 12 with substitutes. In the event that one team has less than 12 players present, the opposing team may elect to “match” the number of players in their batting order. Substitute players would still have to abide by rule #7.
 10. For Bronco and Pony A teams, the coach will have the option of batting the entire roster and having free defensive substitution in the field or batting a traditional 9 with substitutes. Should a team elect the latter option, they must also abide by rule #7. Should a player become injured or ejected on a team using a continuous batting order, Indiana High School Rules shall govern.
 11. In the case of a team only having 8 players to start, the 9th spot in the lineup is NOT an out. Should a team go down to 8 players because of injury or ejection, Indiana High School Rules shall govern.
 12. Bronco games shall be 6 innings in duration. Pony games shall be 7 innings in duration.
 13. When forming rosters for the TCBA teams must abide by the following guidelines:
 - a. A teams shall be allowed to split teams as they wish, without a need for teams from an organization to be equal in talent. Each organization is asked to be an objective judge of the talent they have year in and year out and choose which league they feel they can compete in the best and compete in that league each year. B teams, however, should be split evenly according to talent in order to keep a competitive balance in that league.
 - b. Players must be enrolled or live in the appropriate high school district for the program in which they register to play.
 - c. If a team doesn't meet the above criteria and wishes to compete, they can state their case to the league members at a meeting for a one time vote. (Handled on a case by case basis)
 - d. If a team wishes to join the TCBA, they should present their case to the league members at a meeting for a vote.
 14. Bats must be 2 5/8 in diameter or less and follow 2017 Pony Baseball Inc. Bat Standards.
 15. Run Rules: 15 runs after 3 innings, 10 runs after 4 innings, 8 runs after 5 innings.
 16. In the event of a tie after 7 innings(6 innings for Bronco) or after the time limit has expired, the following rules will be used:

- a. The player who was the last batted out from the previous inning will be placed on second base. Each batter will start with a 1 ball, 1 strike count. The batting team will also be assigned 1 out.
- b. The 2nd extra inning will begin with the last 2 players (batted) out in the previous inning being placed on 2nd and 3rd bases. Each batter will start with a 1 ball, 1 strike count. The batting team will also be assigned 1 out.
- c. The 3rd extra inning and each subsequent inning will begin with the last 3 players (batted) out in the previous inning being placed on 1st, 2nd and 3rd bases. Each batter will start with a 1 ball, 1 strike count. The batting team will also be assigned 1 out.
